

## **Property Tax Postponement Applications Now Available**

On September 4, 2018, California State Controller Betty T. Yee announced that applications for property tax deferment for the 2018-19 tax year are now available.

California's Property Tax Postponement (PTP) Program, administered by Controller Yee, allows homeowners who are seniors, are blind, or have a disability and who meet income, equity, and other requirements to postpone payment of property taxes on their primary residence.

Funding for the PTP Program is limited, and the State Controller's Office (SCO) will process applications in the order they are received beginning October 1. Homeowners must reapply each year and demonstrate they continue to meet eligibility requirements. The SCO will place a lien on the property until the homeowner pays the account in full.

Homeowners may find applications and additional program details [online](#) or call (800) 952-5661.
