SUBJECT: **FISCAL YEAR 2020-21 CASH FLOW PROJECTION**

Attached is the latest cash flow projection for the General Fund and Hospital Funds. The estimated June 30, 2021 combined cash balances for the General Fund and Hospital Funds are positive \$1.692 billion, an increase of \$769 million from the previous estimate of \$923 million. The increase is primarily attributable from improved cash projections for welfare assistance programs, institutional care services, and realignment.

Short-Term Outlook

Our previous report estimated the May 31, 2021 cash balances at positive \$1.376 billion. The actual cash balances were positive \$1.525 billion. The variance of \$149 million was largely due to higher than anticipated collections from realignment sales-tax based revenues. We will report the County's year-end cash position in next month's report.

There is continued uncertainty on how the COVID-19 pandemic will impact our cash flows. We will continue to monitor the County's cash position throughout the fiscal year and provide monthly reports to your Board. If you have any questions please call me, or your staff may contact Connie Yee at (213) 974-0681 or via e-mail at cyee@auditor.lacounty.gov.
