The Treasurer and Tax Collector (TTC) mails several million Annual Secured Property Tax Bills each fiscal year; as a result, property owners may find it difficult to reach an agent on the telephone. Before contacting TTC, property owners should read this insert and visit [propertytax.lacounty.gov](http://propertytax.lacounty.gov) to obtain answers to the great majority of questions.

**PAYMENT DUE DATES**

The tax bill has two payment stubs. The 1<sup>st</sup> installment payment is due on November 1 and becomes delinquent by the close of business on December 10. The 2<sup>nd</sup> installment payment is due on February 1 and becomes delinquent by the close of business on April 10. If the delinquency date falls on a Saturday or Sunday, by law, the Tax Collector extends the delinquency date to the close of business on the next business day. If the Tax Collector does not receive payments by the delinquency date, or if the United States Postal Service (USPS) does not postmark payments on or before the delinquency date, the Tax Collector will impose a 10 percent penalty on each installment and a \$10 cost on the 2<sup>nd</sup> installment per State law.

**PAYMENT OPTIONS**

**PAYMENTS** – TTC only accepts U.S. currency drawn on U.S. based financial institutions.

**PARTIAL PAYMENTS** – TTC recommends property owners pay the total amount due. However, if property owners are unable to do so, TTC accepts partial payments, which reduce the amount of penalties imposed.

**PAY ONLINE** – Go to [propertytax.lacounty.gov](http://propertytax.lacounty.gov) to make online payments 24 hours a day, 7 days a week up until 11:59 p.m. Pacific Time on the delinquency date. All online payment options provide immediate email confirmation. Please note that TTC does not accept online payments for installment plans (Four-Pay and Five-Pay Plans).

**PAY BY ELECTRONIC CHECK** – **There is no cost to property owners for electronic check (eCheck) payments.** The enclosed tax bill contains the Assessor's Identification Number (AIN) needed to complete the transaction. Each eCheck transaction is limited to \$2,500,000.00. A step-by-step video on how to make an eCheck payment is available at [tfc.lacounty.gov/pay-your-property-taxes](http://tfc.lacounty.gov/pay-your-property-taxes). The video is accessible in multiple languages.

When paying by eCheck, the bank account must be Automated Clearing House (ACH)-enabled, meaning the transaction can settle through the ACH Network. If the bank account has a debit block to prevent unauthorized organizations from debiting the account via ACH, property owners must notify banks to authorize ACH debits from Los Angeles County with a debit filter with the Company Identification Number of **0000079161**.

**PAY BY CREDIT OR DEBIT CARD ONLINE** – Pay online by using major credit cards or debit cards. Each online credit/debit card transaction is limited to \$99,999.99, including a cost, currently 2.22 percent of the transaction amount (minimum \$1.49 per transaction).

**PAY BY CREDIT OR DEBIT CARD OVER THE TELEPHONE** – TTC accepts major credit and debit card payments over the telephone for current year taxes only. To pay by telephone, call toll-free 1(888) 473-0835. The enclosed tax bill contains the AIN, Year, and Sequence needed to complete the transaction. Each credit/debit card transaction is limited to \$99,999.99, including a cost, currently 2.22 percent of the transaction amount (minimum \$1.49 per transaction). Please note that TTC does not accept payments for defaulted taxes or installment plans (Four-Pay and Five-Pay Plans) over the telephone.

**PAY BY MAIL** – Please use the enclosed envelope(s) and include the payment stub from the tax bill. **If paying both installments, please include both payment stubs.** Do not mail cash or attach staples, clips, tape, or correspondence. Mail property tax payments to the Los Angeles County Treasurer and Tax Collector, Post Office Box 54018, Los Angeles, CA 90054-0018. **Do not mail payments to any other address.** Property tax payments must be received or USPS postmarked by the delinquency date to avoid penalties. To "Avoid Penalties by Understanding Postmarks," please visit [tfc.lacounty.gov/avoid-penalties-by-understanding-postmarks](http://tfc.lacounty.gov/avoid-penalties-by-understanding-postmarks).

**PAY IN PERSON** – TTC accepts cash, check, money order, cashier's check, and major credit cards and debit cards at 225 North Hill Street, First Floor Lobby, Los Angeles, CA 90012, between 8:00 a.m. and 5:00 p.m. Pacific Time, Monday through Friday, excluding Los Angeles County holidays. Each in-person credit/debit card transaction is limited to \$75,000.00, including a cost, currently 2.22 percent of the transaction amount (minimum \$1.49 per transaction).

**MORE INFORMATION ON REVERSE**

**ONLINE BANKING OR BILL PAYMENT SERVICES** – TTC **DOES NOT** recommend using these services to pay property taxes. The USPS does not postmark the envelopes these firms use to mail the payment. In the absence of a postmark, TTC determines penalties based exclusively on the date TTC receives payment.
