The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

Review of the Treasury's Statement of Net Assets for the Quarter Ended March 31, 2007

County Code Section 2.10.070 requires the Auditor-Controller to perform reviews of the County Treasurer and Tax Collector's (Treasury) statement of assets every quarter, and to compare those amounts to the corresponding records of the Treasury and the Auditor-Controller. This report covers our review for the quarter ended March 31, 2007. Our review was limited to the following procedures:

1. Counted cash on hand as of March 6, 2007.
2. Confirmed Treasury's cash held by banks and investments held by the Treasury's safekeeping agent and other custodians as of March 31, 2007.
3. Tested bank account and investment reconciliations as of March 31, 2007.
4. Reconciled the total cash on hand and investments on hand, and cash and investments held by banks and other safekeeping agents as of March 31, 2007, to the totals shown on the books and records of the Treasury and the Auditor-Controller.

The County Code provides for limited reviews of the County Treasury for each quarter of the fiscal year and an audit in accordance with generally accepted auditing standards for at least one quarter each fiscal year. Our review for the quarter ended March 31, 2007 was limited to performing the procedures discussed above, as prescribed by the County Code. Accordingly, we cannot express an opinion on the accuracy of the Treasury's books and records. During the annual audit of the Treasury as of June 30, 2007, a contract Certified

Public Accountant will perform additional procedures in order to express an opinion on the Treasury's records. The Treasury's quarterly Statement of Net Assets is attached.

This report is intended for the information of the Board of Supervisors and Treasury management. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Please call me if you have any questions, or your staff may call Jim Schneiderman at (626) 293-1101.

Very truly yours,

J. Tyler McCauley
Auditor-Controller
